## **Our approach to teaching**

Our approach to teaching is one on one or two on one in a quiet environment where the learner is given maximum attention. We only concentrate on the areas where the learner has the weakness. We don't strain students to understand complex concepts but we try to provide them with more relevant examples and illustrations in a relaxed environment for them to be able to conceptualize the concept.

**Students take the shortest duration to sit for their exams and Score well (B, A & A\*)**

# **Students improve Through Tutoring**

## **Learning materials**

- We provide all the learning materials to the learner in digital format: textbooks, charts, revision past papers, internet support only for study.
- The learner is expected to provide the stationeries, exercise books, pens, pencils, rubber and a calculator.
